A sibling discount of \$15 per family for each weekly session in which 2 full-time students are enrolled will also be applied. Payments can be made either weekly or monthly, but will be due in advance. Weekly payments will need to be made on Monday for that session or at the first of the month for the scheduled upcoming sessions.

Two snacks and drinks are provided daily for the summer camp students. Lunch is NOT included. We ask due to field trips, that lunch be packed for your child on a daily basis and placed in a disposable lunch sack marked with your child's name. On field trip days, please be sure that items packed do not need heated. Coolers will be provided to store lunches during field trips. Ordering from our catering company is not possible on field trip days, as the lunches are not delivered to the Center in time for departures on field trips. A weekly itinerary will better describe which days a cold, sack lunch will be required.
